

NFL Pick'Em 2022

Progressive Tournament Statistics

As of:

Week 18

Week #18 : \$100

Progressive Pot: \$636

Congratulations to all 50 competitors over the course of the last eighteen weeks. Mike's Global Grill's Pick'Em makes NFL football fun every week, even if your team is, let's just say, like from Chicago.

Frank maintained his steam towards the finish line, in a haywire week of crazy football and upsets. Keri and Perfect Dave, close on his heels, never let up, landing a three way tie for first place. Frank, Keri and Perfect Dave each picked 176 correct picks over the course of the season. Each of them will split the \$636 pot, earning \$212 each.

Congratulations to everyone who played in the Mike's Global Grill NFL Pick'Em Tournament in 2021-22.

Join us again next year!
